RALLY DESCRIPTION

It is America's New Year's celebration - a day like no other. In the early light of New Year's morning, more than one million people line Colorado Boulevard eagerly awaiting the "world's most spectacular floral display." Participate in this time-honored tradition by joining Adventure Caravans. We have great reserved seating with the sun to our backs near the beginning of the parade route. See, hear and smell the glorious array of festooned horses, show bands and colorful floats.

Prior to the parade, we view the spectacular floats in their final stages of floral decorating and then do a post-parade viewing after everything is over so that we can take some great pictures. We learn about the process of garland making and floral placement on the floats. One of the highlights of this rally is a night at the famed Crystal Cathedral to see their magnificent Christmas pageant production "The Glory of Christmas."

Our rally has two additional tour days of interest in the Los Angeles Basin, including the popular Equestfest held at the Equestrian Center, the LaBrea Tar Pits, an afternoon enjoying the foot tapping "Battle of the Bands" Bandfest, the famous Huntington Library and a Hollywood and Los Angeles Sightseeing Tour. We bring in the New Year with a special New Year's Eve dinner and celebration, plus host two other dinners and a farewell continental breakfast..

CAMPGROUND

We stay at a beautiful RV park with full hookups, pull-thrus, showers, laundry room and a private reserved facility or spacious tent for our dinners, parties and get-togethers.
