Special Events and Tours

"Hard Work U" (College of the Ozarks): America's most unique college. A four-year agricultural working college; where the cost of education is met by working on campus to pay for tuition. This college is an interesting place to visit.

Ralph Foster Museum: Dedicated to the history of the Ozarks region. See a working water-powered gristmill grind flour for gourmet creations and College of the Ozarks fruitcakes.

Stone Hill Winery: Established in 1847 and has won more gold medals than any other winery in the world. We have a chance to tour their winery and sample their award winning wines and Spumante.

Silver Dollar City: Voted the top theme park in the world. It's where the "Spirit of America" is celebrated daily. It's where fine craftsmanship, good music and great food are combined to create memories to last a lifetime. See pioneer cooking, wagon building, antique steam engines, open-pit pig roasts and scrimshaw plus stage shows and sidesplitting comedy. We see why this is Branson's #1 attraction.

Exclusive Dinners

Ozark "Hillbilly Hoedown": Features authentic live hillbilly entertainment. Performers join us at the RV park pavilion to perform an evening dinner show exclusively for our group as the finishing touch to our "Ozark Hillbilly Dinner and Pickins."

Steak Dinner & Social: This evening is great to socialize with your fellow travelers while enjoying a cooked-to-order steak dinner with all the trimmings.

Premier Branson Shows

Jim Stafford: Voted Comedian of the year three times. His show has hilarious comedy, spectacular effects and sensational music.

Clay Cooper's Country Music Express Show: Clay and his cast of veteran entertainers give you a high energy show filled with singin', Dancin', gun slingin', rope-twirlin', and hysterical comedy.

Six: Voted Branson's #1 and Hottest new show, Six uses only their own voices to produce all the instrumental, rhythmic and harmonic sounds of the band and vocals.

Presleys' Country Jubilee: "The Most Fun Show in Branson" presents their nationally acclaimed country music and comedy stage show. The Presleys', Branson's first family of entertainment, have been featured on "Paul Harvey's Rest of the Story," "Live with Regis and Kathie Lee," "60 Minutes," "Good Morning America" and "The Today Show."

The Twelve Irish Tenors: This hugely talented group of Ireland's finest singers are taking the concert world by storm as they perform their award winning show in concert halls everywhere. Sold out tours in Europe and America have made this show one of the "hottest" productions in years.

Yakov Smirnoff: Famous Russian comedian, has us rolling in the aisles with sidesplitting laughs. We will laugh our Yak off! Guaranteed. Only in America can we see Yakov and his hilarious juggler, Slim Chance. What a Country!

The Shoji Tabuchi Show: Consistently rated Branson's #1 family show. He has been acclaimed as one of the greatest entertainers in the world. Shoji's versatility and talents are incredible. He has a rich singing voice and wonderful sense of humor all showcased in a theatre that is a phenomenon in itself. Even the restrooms have awed visitors.

Echo Hollow Revue: A fantastic gala show at the Silver Dollar City Amphitheater.
