Later during the stampede, we enjoy another exciting Million Dollar Rodeo contest followed by the World Championship Chuckwagon Races. Chuckwagon racing is an amazing contest of nerves and horsepower. This sport is straight from the pages of western history and comes alive right before our eyes. This is only the start of a sensational Stampede evening culminating with a lovely buffet dinner at our private clubhouse table while enjoying the rest of the evening and the "Greatest Outdoor Show on Earth."

As the sun goes down, the stars come out. For the next 90 minutes on the gigantic outdoor stage, hundreds of singers, dancers and musicians dazzle us in a lavishly produced and choreographed non-stop musical variety spectacular. We laugh, clap and even sing-along as top variety acts from around the world perform a glittering Grandstand show. The show culminates with a dazzling combination of fireworks and laser lights – a fitting end to a wonderful day.

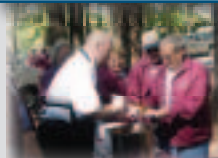

On a day when no action is happening at the Stampede, we enjoy a full-day bus tour that includes the Canadian Rockies, snow capped mountains and the magical land of Banff and world famous Lake Louise.

On the final day we say our good-byes at a farewell continental breakfast as we remember all of the good times we enjoyed in Calgary, the city where "The World Meets The West."
