RALLY DESCRIPTION

Grapevine is in the center of the Dallas / Fort Worth region and serves as the hub of any vacation to the area. Nestled between Dallas and Fort Worth, and home of the DFW International Airport, Grapevine's sophisticated charm provides visitors with a chance to get away and experience great shopping, dining, ten winery tasting rooms and much more. Historic Downtown Grapevine, Texas, is more than a destination, it's a journey. A journey to bygone days when neighbors would call out to each other on the street, shake hands, say "good morning" and really mean it.

The Fort Worth Stockyards National Historic District is where you will experience daily longhorn cattle drives, an authentic cattle auction, a live rodeo, or watch a leather craftsman tool a handmade saddle or pair of boots. We'll stop by the Texas Cowboy Hall of Fame and see the Sterquell Wagon Collection. There is also Billy Bobs Texas, the White Elephant Saloon, and Booger Reds.

We'll visit Dealey Plaza where Dallas pays homage to one of its darkest times, when President John F. Kennedy was assassinated during his 1963 visit. Nearby, the infamous School Book Depository and Grassy Knoll have changed little since that devastating day in our Nation's history.

Remember J.R.? We'll visit Southfork Ranch the internationally renowned site where the "Dallas" television series was filmed. This and much more is in store for you at the 2011 Spring Mega Reunion.
