TOUR DESCRIPTION

What an impressive tour! Check out the "Itinerary and Price Includes" in the next two columns and when you head south next winter, include this 26-day Historical East Coast trip in your plans. You visit the places that shaped America's past as well as the attractions that are popular today.

When traveling on your own, it is difficult to make arrangements for guided bus tours to see and do the activities you want. We make it easy for you. We went to great efforts to obtain the services of the best buses, guides and facilities available so you receive a fantastic trip and have the most enjoyment possible. You don't have to worry about accommodations or reservations.

We walk in the footsteps of our early settlers as we include three days of motorcoach tours in Boston and Plymouth, MA, including a whale watching cruise to their feeding grounds across Cape Cod Bay. We make a stop in Old Mystic to visit the Submarine Force and Newburgh, NY to see West Point.

Two days of motorcoach tours in New York City include the places you have read or heard about, plus a Central Park carriage ride and a Harbor Cruise to see the Statue of Liberty. Two additional biggies in New York are attending a popular Broadway show and the exquisite 5-star evening gourmet dinner and dancing cruise on the glass dome enclosed "Bateaux."

Motorcoach tours of Philadelphia one day and Valley Forge the next precede our exciting six-day visit to Washington, DC. We tour Annapolis and the Naval Academy plus enjoy a boat cruise on Annapolis Harbor. Two more guided motorcoach tours include all of the Washington, DC sites, Arlington National Cemetery and a visit to George Washington's home at Mt. Vernon.

In Richmond and Williamsburg we step back in time more than 220 years to the days before the American Revolution as we visit the Williamsburg, Jamestown and Yorktown Settlements.

This Historic East Coast America trip is a fabulous tour. It includes a Broadway show, three boat cruises and many tours you would not be able to see on your own. You only live once and this is a part of our great country you won't want to miss.
