TOUR DESCRIPTION

What a fantastic trip! We include tours of the most exciting, interesting and unique places in Northwest USA and then visit British Columbia's spectacular Sunshine Coast and Vancouver Island all in one trip. You combine elegant sophistication with rural charm. It is hard to think of another place in the world with such a diverse range of natural attractions and with such good highway access.

Take a look at the two high quality boat cruises, four ferry crossings, train trip, tours, activities and events this itinerary is loaded with in the next two columns, yet it is slow and easy so you have plenty of time to enjoy this once in a life time trip.

We rendezvous in historic Salt Lake City with its great attractions and famous Mormon Tabernacle, travel to friendly Boise, Idaho and Pendleton, Oregon, land of ranchers and cowboys plus home to the famous Pendleton Round-up.

The majestic beauty and natural wonder of the Columbia Gorge will astound us as we enjoy six unforgettable days grasping the sheer beauty of what this great phenomena gives us. We enjoy a Mount Hood Railroad trip and Sternwheeler Boat Cruise while here.

We visit Mount St Helens followed by Seattle which has some of the greatest attractions in the Pacific Northwest. The Space Needle, Boeing Factory tour and Pike Place Market are just a few of the highlights while here.

Heading into Canada's Sunshine Coast, we are surrounded by some of the world's most spectacular scenery every minute of your trip. Each mile capitalizes on the beauty and splendor of the region, giving you many Kodak moments. You are in for a special treat as we Island-hop Canada's Sunshine Coast, Vancouver Island and back to Port Angeles, Washington aboard four different Vehicle Ferries. Highlights are the full day Boat Cruise in Powell River and four fabulous days in Victoria, rated the sixth best destination city in the world. You enjoy High Tea at the most famous Tea Room in all of North America, "High Tea at the Empress Hotel!"

We complete this caravan along Washington's West Coast ending 41-days of scenery and exploration you'll remember long after this trip is over.

Note: This tour ties in perfectly with the West Coast America trip on page 29 beginning in Tillamook, Oregon. Get a \$50 discount per tour for tying these two trips together in the same year..
