TOUR DESCRIPTION

Experience Alaska this summer. Join us on one of the best RV vacations ever as Adventure Caravans gives you more than just Alaska. We see nature at its best with spectacular views of river valleys, snow capped mountains, glaciers, lakes and a wide variety of wildlife.

Juneau, Alaska is definitely one of the highlights of this trip as we cruise through Lynn Fjord, the largest Fjord in North America and enjoy a wonderful day in Alaska's capital city. During our cruise you have an opportunity to see an abundance of bald eagles, some with wing spans up to eight feet, lots of wild animals and hopefully many whales. Don't miss this great opportunity to see Juneau.

Please compare our itinerary and what is included with other 40-day to 42-day Alaska tours. We think you will be pleasantly surprised. Juneau and Dawson City are two of the highlights of this trip. When comparing trips make sure they go to both cities.

This 42-day Alaska Caravan does it all. It includes all of the activities and cities that our 50-day trip does except for Valdez. If you do not have enough time for the easier paced 50-day or 58-day Alaska tours, then this trip is for you.

See description of rest of the tour on pages 38 & 39
