TOUR DESCRIPTION

Adventure Caravans takes you on one of the most deluxe and comprehensive land and sea voyages available to the Canadian Maritime Provinces. We make special efforts to mingle with the locals and enjoy their culture. This tour covers all five Atlantic Maritime Provinces including New Brunswick, Prince Edward Island (PEI), Nova Scotia, Newfoundland and Labrador. This deluxe 49-day trip includes 19 meals and 42 tours not counting dozens of events and activities that make up the rest of this tour package.

We rendezvous in Houlton, Maine, USA near the Canadian border where you are greeted by Adventure Caravans' staff. Here we have an orientation and get acquainted party, plus a welcome dinner with all the trimmings.

Indulge in the cuisine and spectacular cultures of the fabled Scots and Norsemen who settled this area centuries ago in search of new land. See dancers in native costume, listen to the sounds of bagpipes and tour unforgettable countryside.

According to our guests, some of the greatest highlights of this trip are the eight quality days we enjoy in Hilden, Bonavista and Twillingate. In each of these cities we mingle with the locals and take part in activities unique to their individual areas. Please compare these cities plus the rest of the itinerary and length of trip with other caravan tours and you will see why we take so many people to the Maritimes. Completing this tour in less than 49 days is too hectic. We give you plenty of time to enjoy yourself and "Stop and Smell the Roses."
