TOUR DESCRIPTION

This tour provides a most memorable and satisfying experience of Mexico. By driving in Mexico with your RV you see more, learn more and enjoy more than those who fly in and out. You get to know the Mexican people and their culture much better which really makes an RV trip to Mexico special.

We cross the Mexico border at Nogales, Arizona and travel along the Sea of Cortez visiting the cities of Guaymas and Guasave (Las Glorias). You get a taste of Colonial Mexico as we spend three days in the small charming city of Alamos. The highlight of Mexico's West Coast is the Riviera Resort town of Mazatlan where we enjoy five days exploring and frolicking in the sun.

See description of these Mexico West Coast Cities on page 56

After arriving at the RV park in Los Mochis on day seven, the next morning we board a first-class passenger train on the Chihuahua-Pacific Railroad experiencing absolutely breath taking views of the Copper Canyon. Adventure Caravans gives you an extra day in the Copper Canyon as we are the only company that stays four days and we are the only company that stays four days and three nights experiencing the "Eighth Wonder of the World." We enjoy two lovely nights at the first-class La Posada Mirador hotel with awesome views of the Canyon right from your own room. The afternoon of day three we board the train for our bonus trip to Bahuichivo where we enjoy a third night at the first-class Mision hotel in Cerocahui. From here we visit the Urique Canyon which has the most spectacular view of all the canyons. The excitement of these four days will be the topic of your discussions with friends for years to come.

Crossing the Sea of Cortez on the ferry takes about six hours. We leave Mazatlan and leisurely travel to Topolobampo where we enjoy a tailgate party while waiting to board the ferry. Built in 2001, the "California Star" is the newest, largest and most comfortable vehicle
