TOUR DESCRIPTION

What a fascinating tour! This trip is the most comprehensive RV tour ever to the Yucatan, Belize, Guatemala, Colonial Mexico, Emerald Coast, Ruta Maya and Mexico City.

Great care has been taken to ensure you don't miss any of the best sights and tours available, so we include it all with no backtracking. This tour is designed for those interested in the Maya and wants to take their time, relax, enjoy the sights, and have lots of fun while doing it. Note: You need passports and because of border crossings, no tow cars are allowed on this trip.

We visit the three most famous ruins in Mexico: Palenque, Uxmal and Chichen Itza. Not to be outdone, we visit the famous Lamanai Ruins in Belize and the Tikal Ruins in Guatemala. If it's Pyramids you want to see, we visit the magnificent Pyramids of the Sun and Moon in Teotihuacan and the Pyramid of Tepanampa in Cholula.

We enjoy ten exciting days in Guatemala visiting the many treasures that Tikal, Rio Dulce and Amatitlan have to offer. We take bus tours to Antigua, Chichicastenango, Panajachel and Lake Atitlan. We even enjoy a night at a beautiful 1st Class Hotel on the lake in Guatemala.

One of the many highlights of this tour is our four-day stay at the Teotihuacan RV Park (located on the outskirts of Mexico City), which is the base camp for our escorted bus tours (by professional guides) to the fascinating sounds and sights of Mexico City.

Join Adventure Caravans on a trip that gives you the opportunity to tell your friends that you RVed in all three countries: Belize, Guatemala and Mexico.

See description of these Colonial Cities on page 57

See description of Yucatan, Emerald Coast, & Belize Cities on page 68

Please Note: This is an adventure tour and includes some of the World's most beautiful areas. We use the best available facilities, but hook-ups are not always available. At times we will be parked in an open field or an area with no hook-ups or usable electricity. Please do not expect US-Standard amenities on this trip. However, this is part of what makes this area unique and appealing to the adventurous RVer.
