TOUR DESCRIPTION

This RV caravan tour is designed for the Adventurer at heart and is the most comprehensive trip to Panama and Central America available anywhere. Not only do we take our time, relax, enjoy the sites and have lots of fun while doing it, great care has been taken to ensure you don't miss any of the best sights and tours on this once in a lifetime trip. Everything except fuel, insurance, tolls and border-crossing fees are included in the tour price. (Border crossing fees are between \$500 and \$600 per rig.) Important highlights of this tour are: The trip to the Caribbean Coast with boat cruise thru Tortuguero National Park, Costa Rica Rain Forest and Aerial Tram, Costa Rica Highlights and Coffee Plantation Tours, Panama Canal and Locks Boat Trip, Chagres River Embera Indian Village tour, two day overnight bus trip including hotel in Guatemala and the two-day package with rooms at Montelimar Beach Resort. It is extras like these that make Adventure Caravans the industry leader in RV tours.

Entertainment and shows have been included to provide a touch of native culture in the various areas. We have included a number of meals to add to the local flavor. Many scheduled bus or boat sightseeing tours have been carefully planned to provide a real cross section of Central America. Buses have been scheduled for transportation to every possible activity to eliminate the need for a tow car (no tow cars or pets are allowed on this trip). We have hired English speaking local guides to be with us frequently so that you can experience the most from your trip. This is your vacation and we want you to relax and enjoy it.

This RV caravan route has been selected based upon years of previous experience, customer evaluations, road conditions, scenic beauty, historic importance, availability of facilities and for areas proven to be secure for tourist travel. Your experienced Wagonmaster Team wants to share their experiences with you. They are knowledgeable and are always willing to assist you and answer your questions.
